

Level 4 Homework

Due: Monday April 23, 2012 and Monday April 30, 2012

Week 1 and 2

Numeracy	Complete Mathletics each week - aim to achieve two certificates. Choose one activity each week.		
	Measure and record the perimeter of 5 objects in your home. Objects can include items like a placemat, television, computer screen, fridge, etc. Draw a diagram of each object show all measurements and calculations.	Numbers which can be read backwards as well as forwards are called palindromes or palindromic numbers. The 30th November, 2003 can be written as a palindromic number: 30 - 11 - 03. 1. Write four other dates that are palindromes. 2. Which palindromic dates have occurred in your life? 3. What is the next palindromic date in your life? 4. Write four Roman numerals that are palindromes?	Shape Surveyor Geometry Game http://www.funbrain.com/poly/index.html Complete at least two levels of the game and ensure you are challenging yourself! Write a brief reflection in your homework book about the task, what you have learned, were you encountered any difficulties and why you think it is important to learn how to measure perimeter.
Literacy Integrated ICT	Choose one activity each week.		
	<u>Conjunctions</u> are joining words and are used to expand sentences to make them richer and more interesting. Use the following conjunctions to create five separate sentences in your homework book. 1)although 2)however 3)until 4)nevertheless 5)since	Look for different advertisements either in newspapers, magazines, online etc. that you think show persuasion. Choose one to paste into your homework book and discuss why you think it is a good advertisement. Bring in all others advertisements you may find for a classroom activity.	Explore different websites that focus or provide information on Anzac Day. On your wiki page incorporate your findings by including some of the significant information you have discovered. You can choose to do this in a paragraph, chart, etc.
Spelling	Choose one activity to do this week and complete the other one the following week.		
	Silly sentences - Write a silly sentence using one of your spelling words in each sentence.	Create a crossword using all of your spelling words either on paper or online using any website you like. Be creative with your clues!
